

SHUMUN XV

Seton Hall University Model United Nations XV

September 17, 2013

Dear Model UN Advisors,

It is with great pleasure and excitement that I invite you to the Fifteenth Annual Seton Hall University Model United Nations Conference. SHUMUN XV will be held on February 22nd and 23rd, 2014 at Seton Hall University in South Orange, New Jersey. We have been hard at work planning for an engaging high quality conference for all of our delegates.

Keeping with SHUMUN tradition, we will utilize a tiered committee system in order to foster a greater level of delegate interaction and engagement. Our Advanced and Intermediate level tiers will operate as joint crisis committees within their respective tiers, while the Beginner tier will be traditional committees.

The Advanced tier's crisis simulation will be the American Civil War and is recommended for delegates with two or more years of experience in Model UN. The Intermediate tier's simulation will be centered around the Nigerian terrorism crisis, recommended for delegates with a year or more of experience. Our Beginner Committees will be the Organization of American States and the UN General Assembly First Committee—Disarmament and International Security Committee (DISEC); both are recommended for delegates with little or no Model UN experience.

Registration for SHUMUN XV will open on Monday, September 23rd, 2013 and will run until November 15, 2013 for Priority Registration. Priority Registration will guarantee that your delegates have a spot in the committees you select.

Priority Registration Fees are as follows:

Per Delegate Fee	\$35.00

Normal registration will be open November 18, 2013 until January 17, 2014. Please note that we will may be capping registration numbers and there may be a wait list after November 18th.
